

**SolidWorks Student Edition and SolidWorks, and Cosmos Student Edition  
Student /Faculty Purchase Application**

Please fax or mail this completed application to your authorized SolidWorks Student Edition Reseller along with verification of your Student/Faculty status (i.e., a copy of a current identification card from your educational institution, a confirmed course schedule, registration confirmation or enrollment confirmation from the registrar's office). SolidWorks Corporation requires that users of the Student Edition are enrolled in a minimum of six (6) credit hours in a degree-seeking program at an accredited educational institution or are full-time faculty members of an accredited educational institution.

---

---

**Terms and Conditions for Purchase of the SolidWorks Student Edition, and SolidWorks and Cosmos Student Edition**

1. I certify that I am a degree-seeking student or a full-time faculty member at the accredited educational institution written below. I am purchasing the SolidWorks Student Edition or the SolidWorks and Cosmos Student Edition for my own personal academic use and will not use it for commercial or professional purposes.

- **Degree-seeking student:** I am a registered degree-seeking student at an accredited educational institution. I am accepted into a degree-granting program and can confirm current enrollment in six (6) credit hours. As proof of my student status, I have attached a copy of my current dated student ID and a copy of a dated document that confirms I am currently registered for at least six (6) credit hours.
- **Faculty:** I am a full-time faculty member at an accredited educational institution. I have attached a copy of my faculty ID or proof of employment.

2. I agree that once I have opened the sealed package containing the SolidWorks Student Edition or the SolidWorks and Cosmos Student Edition I will be bound by the terms and conditions of the SolidWorks Student Edition License Agreement contained in the package and agree to those terms and conditions. I understand that I may not sell, transfer, modify, or copy the SolidWorks Student Edition or the SolidWorks and Cosmos Student Edition. I agree that the software license I have purchased is for personal academic purposes only. I understand that commercial or professional use of either product will immediately terminate my right to use the software.

3. I understand that the SolidWorks Student Edition License is a 12-month term-of-use license, and may not be upgraded to future versions. Any future purchases of the SolidWorks Student Edition will be subject to similar terms and condition of use, and will require a separate Purchase Application and qualification process.

4. I understand that the Software contains (i) a soft-lock that permits it to be loaded on only one computer and (ii) on-screen and printing features that identify the software and the related files as a "Student Edition," making it unsuitable for use in a professional environment.

5. I understand that no technical support is available for the products. An email address is available for registration and installation support at [studentreg@solidworks.com](mailto:studentreg@solidworks.com).

I have read and agree to the above Terms and Conditions for Purchase of the SolidWorks Student Edition or the SolidWorks and Cosmos Student Edition.

**A Parent or a legal guardian must sign for their dependent High School Student.** By signing, the parent or legal guardian agrees that his or her dependent will be bound to the terms and conditions of purchase and the terms and conditions of the SolidWorks Corporation Student Edition License agreement.
